Hornets Hosted At Sixways

Thank you to Old Leamingtonians Hornets for coming over to Sixways on Sunday 5th March to play a game against our Foundation Inclusion team. Both sides took to the pitch prior to the Worcester Women's Allianz Premiership clash against Wasps and stuck around after to catch the end-to-end game!

Above Par Day!

Our Dementia Cafe team packed their clubs and headed over to Ravenmeadow Golf Club to test their swing. It was fantastic to see it was so well received and we reckon you may see a few on the PGA Tour! Thank you so much to Ravenmesdow for hosting us - it was wonderful to visit and we look forward to coming back in the summer.

Leading The Way

On Sunday 12th March, in partnership with the Change Foundation and British Blind Sport, the team hosted a VI and Blind Rugby festival and coaches CPD. We welcomed over 30 players from as far as London and Cardiff, with our Visually Impaired Team running out for some friendly games, before the Foundation Team led a Blind Rugby session and game in the afternoon.

It was fantastic to see so many who are passionate about growing the game and championing inclusiveness.

Sessions are now well underway at Worcester RFC and it's been pedal to the metal with lots of evasion and physical literacy skills!

The sessions on Tuesday evenings, 4-5pm, are a chance for any young person to get their hands on a rugby ball, get moving and experience the sport first hand in a fun, inclusive environment.

Vets Fest

The event has been organised in order to engage with veterans and their families living in Herefordshire and Worcestershire and to offer them a fun family day and the chance to catch up with friends old and new over an action-packed day.

It would be fantastic to see as many people as possible. For further information please contact: Chris.stephenson@warriors.co.uk
