Supporting the ABI Games

We were delighted to be able to support the Acquired Brain Injury Games, delivering Walking Rugby at the University of Worcester Sports Arena earlier this month. Conceptualised and overseen by Headway Worcestershire, the Games offer people with an acquired brain injury an opportunity to participate in physical, cognitive and life skills, including activities like, Boccia, Walking Tennis, baking a cake, and Chess as well as creative expression activities, such as pottery and crafts. It was an incredibly special day and we can't wait for next year.

Wheelchair Rugby Pro's

It was an incredibly proud and inspiring day for our Wheelchair Rugby players and coaches alike. Both an equally exciting and nerve-wracking opportunity, we got to participate in our first ever Wheelchair Rugby 5s tournament, hosted by the Dragons.

Despite there being lots to take on board and high-octane games from the off, our side threw themselves wholeheartedly into the competition and showed we're colossal in effort, heart and teamwork.

The team were overwhelmed with compliments and we could not be prouder.

Great Oppor-tuna-ty

Fishing is a superb activity to improve mental and physical wellbeing and we got to dust off the rods and re-stock on the grubs once again as we were joined by youngsters from across Worcestershire the last few months.

Little else beats the peace and serenity!

DONATE

Donate today to support the life changing projects ran by the Worcester Warriors Foundation and support 12,000 vulnerable people in your community every year. We have both our Partner and Friend of the Foundation schemes where businesses and individuals can support from as little as £2 per month. For more information please check out our website www.worcesterwarriorsfoundation.org.

Join Our Teams & Projects!

Our teams and projects are welcoming new participants and we'd love for our partners and friends to share the word!

Our Dementia Sports Cafe goes from strength to strength at Worcester RFC and we're raring to get back to it with our Inclusion Rugby and Wheelchair Rugby sides in September and it'd be epic to welcome new faces. Drop us an email to hear more about our teams and projects!

Upskill Your Coaching

As the new school year and rugby season are fast approaching, we're looking to help ensure teachers and coaches feel confident with delivering all forms of the game. Whether it's getting to grips with the new laws, filling gaps in your knowledge or looking at different ways to engage and educate your players, we can help!

GET INVOLVED

IBSA World Games

We're excited to be playing a small part in the IBSA World Games this August, as we'll be running some activities as part of the fan village at the University of Birmingham.

With a range of disciplines, several Paralympic, the competition for blind and partially sighted athletes, for many, is the pinnacle of competition and we for one can't wait for world class competition right on our doorstep.

To find out more, check out their website.
