Have A Koala'ty Time, Izzy

We wanted to wish a long time serving, adored member of our team, Izzy, a huge amount of luck and prosperity as she leaves us to head Down Under for a year to remember. Those of you who know Izzy, know just how much expertise and energy she brings to the team, and her work with SEN and Dementia Cafe especially, has and will continue to have a significant lasting impact on the local community. She'll be sorely missed, but we can't wait to hear all about her new journey and experiences, and we imagine it's very much just a bye for now! If you have any messages for Izzy, please share them with us.

A North Mids First

We're delighted to have become a fully fledged member of the North Mids RFU as we look to continue to build on our rugby provision, as well as playing a significant role in the sustainability of rugby in the county. We think it's pretty cool that we're the first Foundation to be a member of the North Mids RFU (as far as the history books go, and, one of the first nationally.

Keep an eye out for our big reveal about our Inclusion Rugby Team...

Rugby For PGCE Students

Back to Uni we went for our third visit to the University of Worcester as we spent the day educating a new cohort of PGCE students on the basic principles of coaching rugby.

We explored a range of different ideas and conditioned games as well as breaking down the tackle and ruck to enhance understanding of the laws and maximise safety. We wish the students the best of luck on their course and in their upcoming placements.
